Interior FCU Spring 2018 Newsletter

It's Our Anniversary, Celebrating 83 Years of Service!

Interior FCU was founded on April 24, 1935, during the depth of the Great Depression. Our mission is to provide excellent service to our members and meet their diverse and changing financial needs and interests. Over the years, we have developed many products and services to help the Credit Union achieve its mission. The products and services range from an enhanced Mobile and Online Banking platform, the Nickel Back Rewards program, specialized savings account options for all ages, an array of insurance options, a diverse loan product portfolio, and much more.

We are looking forward to continuing our journey in serving our members while progressing in ways that help our membership in their financial journey.

Holiday and Vacation Club Accounts

Are you still reeling from holiday-related expenses? Do you always find that your holiday budget is never quite enough? Don't let it happen again! Let 2018 be the year you take control of your holiday expenses before they take control of you.

By opening a Holiday Club Account at Interior FCU, you'll be breaking down your holiday costs into smaller, manageable amounts instead of getting hit with huge bills in December.

Here's how it works:

Visit our [Savings Account](#) page and click on either the Holiday or Vacation Club tab. Once you are on the tab, click on "Open An Account." If you need assistance, one of our Member Service Representatives can assist you.

You can choose to make automatic deposits by payroll deductions or direct deposit. Your savings will earn dividends throughout the year. Next fall, right before the holiday shopping season begins, your funds – including all dividend payments – will be available for you to use. It's almost like getting paid to go holiday shopping!
